Source: This information was obtained from the Hospital Admission Card data file (1944-1945) created by the Office of the Surgeon General Department of the Army. In 1970 the National Research Council first compiled this for statistical purposes using the EMTs (Emergency Medical Tags) and other Office of the Surgeon General Office Records during WWII.

A white granite gravestone for Floyd Smith, featuring a large, stylized American flag design on the left side. The flag has stars in the upper left and stripes flowing across the top. The inscription is on the right side of the stone. The gravestone is set on a wide, low base. In the foreground, there is a small blue and white flag-shaped object. To the right of the stone, there are pink and white poinsettia flowers. The background is a grassy area with other graves visible in the distance.
