Source: This information was obtained from the Hospital Admission Card data file (1944-1945) created by the Office of the Surgeon General Department of the Army. In 1970 the National Research Council first compiled this for statistical purposes using the EMTs (Emergency Medical Tags) and other Office of the Surgeon General Office Records during WWII.

A white cross-shaped gravestone stands in a grassy field. The cross has a vertical stem and a horizontal bar. The horizontal bar contains the inscription. Above the cross, the top of another similar stone is visible.
