Mrs. Irene B. Trahan
25 Blossom Street
Nashua, New Hampshire

Dear Mrs. Trahan:

Reference is made to the interment of your son, the late Technical Sergeant Walter F. Gendron, and his comrades which was made in Grave No. 13620, Section J, Long Island National Cemetery, Farmingdale, New York. It is regretted that because of the fact it was impossible individually to identify the remains of your son you were deprived of the comfort and consolation which might have been afforded by interring his remains at home.

It is felt that you might like to have the inclosed photographs of the grave and the headstone which has been erected.

You are assured that the grave will always be cared for in a manner fully commensurate with the sacrifice your son has made for his country. Any desired information concerning the grave or the cemetery will be furnished upon request.

Sincerely yours,

Group Burial

United States Military Cemetery
Blosville, France

Mrs. Irene B. Trahan
25 Blossom Street
Nashua, New Hampshire

Dear Mrs. Trahan:

The Department of the Army desires that you be given the most recent information concerning your son, the late Technical Sergeant Walter F. Gendron, ASN 20 141 260.

The American Graves Registration Service in their search for deceased American personnel recovered certain remains from the area in which your son and others of his comrades met their death. As identifications could not be established at the time of the recovery, Unknown designations were assigned pending further investigation, and temporary interments were made in a United States Military Cemetery overseas.

The investigation is now complete, and it has been determined that, although the circumstances rendered individual identifications impossible, sufficient evidence was obtained to warrant a group identification of these remains. The remains are now casketed, and being held overseas, pending return to the United States for interment in Long Island National Cemetery, located at Farmingdale, New York.

This plan for the burial in one of our country's shrines of all the known groups of men for whom individual identity cannot be established, is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Final interment in a National Cemetery in the United States where perpetual care will be given the graves, is fitting and proper. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any one family wishing to attend the services.

You and the next of kin of the other men will be informed of the date and time of final interment sufficiently in advance to permit you and any interested persons to attend the ceremonies. In order that you may receive information concerning these final rites, it is essential, in case you change your address, that you promptly inform the Commanding General, New York Port of Embarkation, Attention AGRD, First Avenue and 58th Street, Brooklyn 20, New York.

Sincerely yours,

E. V. FREEMAN

Dear Mrs. Trahan:

The Department of the Army desires that you be given the most recent information concerning your son, the late Technical Sergeant Walter F. Gendron, ASN 20 141 260.

His remains were initially buried with others of his comrades who met their death in the same incident. Since that time the American Graves Registration Service has, without success, explored every clue that might lead to individual identification of any of the remains, and has at last been forced to conclude that only a group identification of the remains is possible. They are now casketed and, pending return to the United States, are being held overseas.

All remains in this group will be brought back simultaneously for interment in Long Island National Cemetery, located at Farmingdale, New York.

This plan for the burial of all the known groups of men for whom individual identity cannot be established in one of our country's shrines is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Dear Mrs. Gendron:

Thank you for the information furnished the Army Effects Bureau in connection with personal property of your husband, Technical

Sergeant Walter F. Gendron.

I am inclosing a check for \$137.00 which is the only property belonging to him received at this bureau.

My action in forwarding these funds does not, of itself, vest title in you. The money is transmitted in order that you may safely keep it on behalf of the owner, pending his return. In the event he is later reported as a casualty, the funds should be distributed according to the laws of the state of his legal residence. I sincerely hope that such distribution will not be necessary.

Please acknowledge receipt of the check by signing one copy of this letter in the space provided below and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

All War Department agencies are under instruction to forward personal effects of military personnel to the Army Effects Bureau for disposition; money, as a rule, is converted to a check and transmitted by mail, in advance of other property. You will be notified promptly in the event we later receive additional belongings of your

husband.

Yours very truly,

Incls.--
