EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Sir:

In regard to the letter you sent us about the death of our son, Cpl. Frank E. Poziemski, 16098942, Infantry, He was reported as missing at first since June 6th and on Oct. 29 you sent us word that he was killed in action on that day. Would it be possible that you write us when he died or why it took four months and 3 weeks to find out that he was dead. Was he a prisoner of war during that time? Could you furnish the grave location and how he died. I have 2 other sons in the service and I certainly would feel much better if you could write me how Frankie lost his life.

Yours very truly

Mrs. Vincent Poziemski

Dear Mrs. Pozniemski:

Reference is made to your recent letter in which you requested information relative to your son, Corporal Frank E. Pozniemski, previously reported missing in action on 6 June 1944 in France.

It is the policy of the War Department to forward all information directly to the family concerned as soon as it is received in this office. However, combat conditions or need of military security sometimes are such as to prevent response on the part of the military authorities in the field, even though they may desire to write giving details. The official report stated only that Corporal Pozniemski was killed in action on the date he was previously reported missing in action. There is no record in this office of Corporal Pozniemski having been a prisoner.

Matters pertaining to burial are under the jurisdiction of The Quartermaster General, Washington 25, D. C. A copy of your letter has been forwarded to that official for direct reply to you.

My deep sympathy is extended to you in the loss of your son.

Sincerely yours,

EDWARD F. WITSELL
Brigadier General,
Acting The Adjutant General.
