

positions until 17th January 1945 when they moved east towards Houffalize relieving the 193rd Glider Infantry. The regiment set up it's C.P. 1 1/2 mile east of Houffalize while the battalion took up positions with front lines on Cowan Creek, 3rd battalion on the right, 1st battalion on the left and second battalion in reserve. The regiment stayed until 20 January 1945 patrolling and probing the enemy positions on the other side of the Creek. On 20 January 1945 the regiment attacked, crossed Cowan creek and took Cowan, Visseule and Alhoumont. C.P. spent the night at Alhoumont and the next day the attack was continued and Gatteru, Chateau Liherraine, Steinbach and Limerle fell to our arms. The regimental C.P. was set up at Limerle with the battalions disposed, 2nd on the right, 1st on the left and 3rd in reserve with front lines generally from Halt 708740 through 715755 to 713763. On arrival at Limerle the town was subject to intense enemy artillery fire for some hours after occupations. That evening Major Creek commander of the third battalion stepped on an anti-personnel mine which resulted in his evacuation.
