House of Representatives

My dear Congressman:

I have your letter of October 16, inquiring about the personal effects of Private James D. Hogue, on behalf of John E. Hogue, Gordon, Georgia.

Regrettably, an inventory furnished the Army Effects Bureau by Lt. Robert B. Molsberry, 502nd Parachute Infantry, Personal Effects Officer, overseas, dated 27 June 1944, indicates that no property of decedent was recovered. Knowing that any of decedent's belongings would be cherished by his family, I am sorry to convey this report.

Your interest in this case is appreciated. Please assure Mr. Hogue that he will be notified promptly, should any property of his son unexpectedly arrive here.

Address Reply To The  
QUARTERMASTER GENERAL.

20 November 1944

Mr. John E. Hogue,  
Gordon, Georgia.

Dear Mr. Hogue:

Reference is made to that portion of your letter in which you request the personal effects, and burial location of the remains of Private James D. Hogue.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel who die outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

I fully understand your desire to obtain information relative to the place of burial of Private Hogue's remains, and I regret to inform you that up to the present time this information has not been received. Sometimes months elapse before information of this nature is received which delay I feel sure you will understand when you consider the existing conditions under which it must be obtained. However, you may be sure that upon receipt of such information in this office you will be advised.

The Adjutant General's Office is charged with the responsibility of furnishing information concerning the circumstances surrounding the death of our soldiers. I am sending another copy of your letter to that office in order that you may be informed regarding your request.

According to the records of this office the decedent named Mr. John E. Hogue, Gordon, Georgia, as his father. In your letter to this office you refer to the decedent as your nephew. Please advise us of the correct relationship.

My sincere sympathy is extended to you in the loss you have sustained.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,

Dear Mr. Hogue:

Reference is made to that portion of your letter in which you request the personal effects, and burial location of the remains of Private James D. Hogue.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel who die outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

I fully understand your desire to obtain information relative to the place of burial of Private Hogue's remains, and I regret to inform you that up to the present time this information has not been received. Sometimes months elapse before information of this nature is received which delay I feel sure you will understand when you consider the existing conditions under which it must be obtained. However, you may be sure that upon receipt of such information in this office you will be advised.

The Adjutant General's Office is charged with the responsibility of furnishing information concerning the circumstances surrounding the death of our soldiers. I am sending another copy of your letter to that office in order that you may be informed regarding your request.

According to the records of this office the decedent named Mr. John E. Hogue, Gordon, Georgia, as his father. In your letter to this office you refer to the decedent as your nephew. Please advise us of the correct relationship.

My sincere sympathy is extended to you in the loss you have sustained.

Dear Sir:-

Your nice letter of sympathy was received a few days past and I want to thank you for it, also for the information you gave me regarding my Son and Nephew PFC. James D. Hogue. 20401221 who died in service in France on June 6th, 1944 of course I understand that you cannot furnish very much information about how he met his death and just where he is buried. as there is so much happening and so fast, but maybe after a while when things clear up I can learn more about the details.

You mention about me John E. Hogue being named his Father, and I mentioned him as my Nephew. That is true. I am his Fester Father. and his Uncle. as I raised him from a small child. as the records that are on file in the War Dept. will verify that.

Thanking you for your interest in the case.

Yours Very Truly

John E. Hogue
