SUBJECT: Transmittal of Inventories of Effects.

TO : The Effects Quartermaster, Kansas City QM Depot,  
601 Hardesty Avenue, Kansas City, Missouri.

1. The attached Inventories have been on hand at this office for 30 days or more; the effects to which they refer have never been received by this office. It is believed the effects may have been erroneously forwarded direct to your office, to the beneficiary; or to the Effects Quartermaster in France. In view of the fact that we are unable to contact the Units to ascertain disposition of the effects, and that ultimately all effects will be received by your office, we are forwarding these forms for your records.

2. The method of handling Form 54's at this office is that all Form 54's are checked against effects on hand. Where effects have been received, such forms will be forwarded by letter of transmittal to your office giving information as to the disposition of the effects, and at the expiration of one month, if no effects are received, the forms will be transmitted to your office in accordance with paragraph 1.

Dear Mr. Rendzio:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains."
