Source: This information was obtained from the Hospital Admission Card data files (1942-1945; 1950-1954), created by the Office of the Surgeon General, Department of the Army. During 1988, this secondary source material was made available to the National Personnel Records Center by the National Research Council, a current custodian of the data file. The file was originally compiled for statistical purposes; therefore, name identification does not exist and sampling techniques were used with the result that not all hospital admissions are included. Veterans on the file are identified by service number and other data related to hospital admission.

Headstone: Cross
Epinal U. S. Military Cemetery

Dear Mrs. Coulter:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

THOMAS B. LARKIN

Dear Mrs. Coulter:

Inclosed herewith is a picture of the United States Military Cemetery Champigneul, France, in which your husband, the late Private George D. Coulter, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Dear Mrs. Coulter:

Reference is made to your letter of 16 April 1945, requesting information concerning the death, burial and personal effects of your husband, the late Private George D. Coulter.

The official report of interment received in this office reveals that the remains of your husband were interred in the Champigneul Cemetery No. 1, Champigneul, Marne, France, Plot B, Row 10, Grave 249.

In view of the fact that the Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, has been designated to receive and ship the personal effects of our deceased military personnel outside the United States, a copy of your letter has been forwarded to that office for reply.

The Adjutant General, ASF, Washington, D.C., has jurisdiction over information pertaining to the circumstances surrounding the death of our military personnel and a copy of your letter has been forwarded to that office for direct reply.

Please accept my sincere sympathy in the loss of your husband.

FOR THE QUARTERMASTER GENERAL:

Dear Mrs. Coulter:

As Commanding Officer of the Regiment in which your husband, Pvt. George D. Coulter, 36959773, was serving when killed in action 25 December 1944, I have the sad privilege of writing to assure you of my personal sympathy and to tell you that we all share with you the sense of loss that must be yours on learning of his passing. I know full well how he will be missed from the family group at home. He is missed from our "regimental family group as well -- the more so because his devotion to duty to the end showed him to be the kind of soldier we can ill afford to lose.

I do not presume to think that what I say can assuage your grief. But I beg you to remember that no great and worthwhile victory is ever won without a cost. And if the conquest over Axis tyranny is necessary, as we believe it is, for the peace and happiness of the entire world, then not those who have given the least but those who have given the most are most privileged. Greater love hath no man than that which your husband has shown. He died as any good soldier would want to die -- in the very forefront of the fight, carrying the battle determinedly and successfully to an opponent who is the avowed enemy of all that in America we have learned to count most dear. Because this is so, I feel confident that in time the quite natural grief in your heart will give way to a just pride at having contributed so much to a cause so high.

Your husband is buried in a large cemetery for American dead located in eastern France. It is in every sense a beautiful and fitting resting place. Burial rites were performed by a chaplain of his own faith, and at recent Regimental Memorial Services held here he was named and remembered in our prayers.

The noble example which he and our other honored dead have set will live on among us as an inspiration toward our more faithful performance of duty, until that day when, with God's help, we shall have made the world the place of peace and freedom for which they died.

You are advised that any correspondence relative to the exact location of his grave or to the disposition of his personal effects should be addressed to the Quartermaster General, ASF, Washington, D. C.

Sincerely yours,

EDSON D. RAFF
Colonel, Infantry,
Commanding.

Additional information has now been received showing that your husband was killed on 25 December 1944, while participating in action at Mourmelon La Grand, France.
