My dear Major General:

I am writing in the interest of my daughter, Mrs. Yolanda Doris Bogart, widow of Captain Loyal K. Bogart No. 0467440, Infantry, who has been reported killed in action on June 11, 1944 in France. This date of death was confirmed by you per letter of May 16, 1945.

We thought that perhaps by this time, you would have some further information regarding the death of Captain Bogart - as to whether you actually have concrete evidence that Captain Bogart was killed in action and the location and other information as to place of burial.

We should very much like to have this information, especially since a friend of mine is leaving for Europe very shortly on a business trip and he has consented to visit his grave if we could give him the necessary information. We understand also that upon request of the family, the Government will bring the body to the United States for burial. We should, therefore, appreciate further information regarding this matter.

We have upon two occasions received personal belongings of Captain Bogart, consisting of clothing and uniforms which he left behind in England, but we have received nothing whatsoever of personal effects which had been on his person at time of death. We appreciate that personal belongings are usually taken and retained by the enemy, but we wonder whether there has been any belongings that were on his person at time of death that can be transmitted to the widow. Any information that you can give us regarding the death of Captain Bogart will be greatly appreciated.

Yours very truly,

A. J. D'Arcangelo

Dear Mrs. Bogart:

The Army Effects Bureau has received some personal effects belonging to your husband, Captain Loyal K. Bogart.

This property is being forwarded to you in a footlocker and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your husband.

Yours very truly,

My dear Major General:

I am writing in the interest of my daughter Mrs. Yolanda Doris Bogart, widow of Captain Loyal K. Bogart No. 0467440, Infantry, who has been reported killed in action on June 11, 1944 in France. This date of death was confirmed by you per letter of May 16, 1945.

We thought that perhaps by this time, you would have some further information regarding the death of Captain Bogart - as to whether you actually have concrete evidence that Captain Bogart was killed in action and the location and other information as to place of burial.

We should very much like to have this information, especially since a friend of mine is leaving for Europe very shortly on a business trip and he has consented to visit his grave if we could give him the necessary information. We understand also that upon request of the family, the Government will bring the body to the United States for burial. We should, therefore, appreciate further information regarding this matter.

We have upon two occasions received personal belongings of Captain Bogart, consisting of clothing and uniforms which he left behind in England, but we have received nothing whatsoever of personal effects which has been on his person at time of death. We appreciate that personal belongings are usually taken and retained by the enemy, but we wonder whether there has been any belongings that were on his person at time of death that can be transmitted to the widow. Any information that you can give us regarding the death of Captain Bogart will be greatly appreciated

Yours very truly,
