Dear General Larkin:

I represent Frank Pytel, who is the administrator of the Estate of Pfc. Stanley J. Pytel, Serial number 32 729 679, who was killed in action.

Recently the parents received a notice from your office to the effect that Private Pytel is buried in Plot M, Row 7, Grave 122, U. S. Military Cemetery, Blosville, France.

There are certain life insurance policies on the life of Private Pytel containing double indemnity features, but the insurance company has refused to pay the double indemnity benefits unless some proof of death is furnished. In cases of this nature, do you issue death certificates or their equivalent? If so, I wish that you would send me such documentary evidence in order that I may take the matter up with the insurance company.

Thanking you very kindly for any information that you may be able to furnish, I am

Very truly yours,

RALPH M. HORNLEIN.

 X-Number Name Rank ASN

Blosville, France M 7 122 13 July 1944 PDD, 12 June 1945
 Cemetery Plot Row Grave Date of Burial Date of Death

BASIS FOR IDENTIFICATION

1. AGO Finding of Death for Pfc. Stanley J. Pytel, 32729679, indicates that he was MIA 11 June 1944 in the European Area and PDD 12 June 1944.

2. Noted on reverse side of B/R was: Originally identified to be Pfc. Stanley J. Rytel by Vehicle Operator's License found on remains. Disinterment could not establish positive identification and further Theater AG records showed no record of Stanley J. Rytel ever having ^{been} assigned to this theater.

3. Identification of X-209 as Pfc. Stanley J. Pytel, 32729679 is based on:

a. Vehicle operator's license found on remains -- the name Stanley J. Rytel was mistaken for Stanley J. Pytel.

b. Laundry Mark R-9679 found on 3 pieces of clothing was in all probability P-9679, which was the correct laundry mark for Pfc. Stanley Pytel, 32729679.

c. Pfc Stripe and 82nd AB patch found on the deceased. Pfc. Stanley J. Pytel, 32729679 was a member of the 507th Para. Inf. Regt. which was attached to the 82nd AB Division from 14 January 1944 till 1 March 1945.

d. The dental chart of Unknown X-209 compares very favorably with WD records of Pfc. Pytel. (See Exhibit 1)

EXPLANATION OF PART B -- NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mrs. Pytel:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Incls.

Sincerely,

THOMAS B. LARKIN

Dear Sirs,

In reply to your request for information in identifying a dead soldier, I am afraid I can't help you much.

These few facts may help you. I never owned any license, and my G.I. license I tore up upon discharge. I also didn't get overseas till October, of 45.

for my name being
with him I can't
explain, for I thought
our family was the only
Rytels' in the U.S., unless
he was a D.P. who
joined our forces, for
I do have relatives
in Poland & France.

Otherwise, I am very
sorry but I cannot
help you.

I remain
