TO: Non-Recoverable Board, AGRC

1. It is recommended that the Board take action on the following cases:

NAMES: See Attached Roster

ORGANIZATION: See 371 Forms

DATE OF DEATH: See 371 Forms

PLACE OF DEATH: See 371 Forms

SYNOPSIS: The casualties listed on attached roster are reported by official records as Missing In Action or Killed In Action during ground air or naval operations in the department of Manche, France, from the period of 5 June 1944 to 15 August 1944. Extensive area searches as well as individual investigations have to date failed to furnish information as to the ultimate disposition of their remains. Efforts to effect association with unidentified recoveries from the area, now interred in U.S. Military Cemeteries, have also proven negative. The lack of specific information regarding the death or burial, limited search in most instances to general localities, however, documents on file in this Office and Office of The Quartermaster General substantiate the fact that numerous investigations covering the entire department of the Manche, have been conducted in the course of search operations for all losses, both recovered and unrecovered. The terrain of the Manche department, for the most part, consists of farm and pasture land which has been under constant cultivation and daily use since the cessation of hostilities, thus the possibility of undiscovered graves is remote. It can therefore only be concluded that the remains of the deceased in question were reduced by battle action to a state which precludes recovery or identification. The absence of specific information concerning their deaths, the failure of Field Investigations to provide evidence, and the lack of association with recovered unknowns would tend to substantiate these

Dear Sirs. Please.

I don't know if this is the right address, but hope it reaches the right dept. any way, as I am very eager to have any information you can give me regarding my son.

This is the last mailing address I have, and he was reported missing in action June 6, 1944 then later reported killed on that

date, and since so many boys are being brought home I thought perhaps you may have learned where he is buried and how he was killed.

His wife is remarried and is living in another city and I haven't been able to contact her, so if you can give me any information received since he was reported killed it will be very much appreciated.

Thanking you very much,
A Gold star mother.

P.S. May I bring my son home? and how?

Dear Mrs. Sweet:

Your letter pertaining to the remains of your son, the late Private First Class Harry Roberts, Jr., has come to my attention.

With deep regret, I must inform you that, as yet, no information pertaining to the burial of the remains of your son has been received in this office.

Units of the American Graves Registration Service are continuing their intensive search of the area in which he died. Please rest assured that when a report of the recovery and burial of the remains of your son is received, I will inform you immediately.

A copy of your letter has been forwarded to The Adjutant General, Washington 25, D. C., for direct reply inasmuch as that office has jurisdiction over and knowledge of all matters relative to the names and addresses of some of the members of his organization.

May I extend my sympathy in your great loss.

Sincerely yours,

185 North 20th Street
Columbus, Ohio

Dear Mr. Roberts:

Several years have elapsed since the cessation of hostilities of World War II, which cost the life of your son, the late Private First Class Harry Roberts, Jr.

It is with deep regret that your Government finds it necessary to inform you that further search and investigation have failed to reveal the whereabouts of your son's remains. Since all efforts to recover and/or identify his remains have failed, it has been necessary to declare that his remains are not recoverable.

Realizing the extent of your great loss, it is with reluctance that you are sent the information that there is no grave at which to pay homage. May the knowledge of your son's honorable service to his country be a source of sustaining comfort to you.

Sincerely yours,
